

SHAC Health Fair 2009

The Student Health Advisory Council, the SHAC committee, will host a Health Fair in conjunction with the Celeste Lions Club Supper on Saturday night, April 18th. The following booths will be set up in the Celeste Elementary, facilitated by the SHAC committee members and school personnel.

Booths will include:

Blood pressure

Body fat analyzer

Vision screening

Hearing screening

AED demonstration

Clean Hands demonstration

Brochure table including information on strokes, diabetes, scoliosis screenings, drug education, staph infection, the common cold, and general hygiene.

Please join the SHAC committee in promoting good health practices and visit www.celesteisd.org and the counselor corner for monthly newsletters on Teen Food and Fitness and the High School Years.
